## Mariano Rivera

Mariano Rivera – “The Sandman”. When Rivera came into the game it was pretty much over. The best closer of all time without question. 563 career saves over 18 seasons. That’s an average of over 31 per season! Eight seasons with a WHIP under 1.00. He started his career as a starting pitcher. That only lasted one season when his cut fastball became a weapon in relief. I guess keeping him in the bull pen was the right move. Enter “Sandman”, turn out the lights, the game is over.
