Mike Piazza – A bat first catcher but oh what a bat. He broke into the league in 1993 and took off in 1994. Eight years in a row hitting no worse than .319. During that span his lowest season he hit 40 homers. For his career he hit .321, 560 homers, 1487 rbi, .385 obp, .611 slugging. .996 ops. On top of that he did not strike out excessively. Only one season above 100 K's. His defense was not great but serviceable. Anyhow, who needs defense when you hit like that!
