

INSIDE THE FLY BY NIGHT 2024

AMERICAN LEAGUE

Projected Finish

Blue Grass
Bissell Cove
California
Yorktown
Lake Wobegon
Urpaign
Hotlanta
Louisville
Grayson
Belmont Street
Arsenal
Atlanta

The AL looks a little easier to vet out than the NL.

Appears that Blue Grass, Bissell Cover, California and York Town are solid playoff teams. The Blues are heavily in and have a solid all around team. The Blue Fish are loaded for the future and will still win 100 games this year.....same as it ever was.

The Dreamers do not look like they are all in, but still a solid team, while the Admirals have been arming up. The ultimate outcome will likely depend on what moves the contenders make in-season.

I think the 5th spot will be between the Whippets and the Dragons. Both flawed but decent teams.

Hotlanta and Louisville are both just mediocre teams that would need some serious upgrades to make a playoff push.

It appears that Greyson, Belmont Street, Arsenal and Atlanta will be 1-4 in the draft next season....which will inflate the rest of the AL team records. I think the clear favorite to be #1 in the draft will be Atlanta.....that would be four times in six seasons! Yikes.....hopefully the suffering pays off soon.
