AMERICAN LEAGUE

Division B

Projected Finish

Belmont Street

York Town

Hotlanta

Grayson

Another AL division that looks like a one team race. The Boars are solid, not great but the balance of offense, SPing and RPinG makes them easily the most complete team in the division. They don't appear to be a great playoff team but should be good over 162 games. Picking up Blanco was very big to round out the rotation. Rooker has turned into a beast for the Admirals, who definitely have some weapons. However, the pitching gives up too many long balls in a HR friendly park. Jim J regularly over achieves....great manager, but he will have his work cut out with the mediocre bunch. No real studs anywhere....just some decent players, HT looks like a .500 team to me. If you LOVE THE LONGBALL, the Grits are your play. Judge alone will probably hit 70. GG will easily hit 300 bombs and give up another 300. The average score of a Grits' game will probably surpass what the NE Patriot's did last year....with about the same W-L results. I'd say there is a good chance the Admirals are a wild card team, but it's wait til next year for HT and GG.
