AMERICAN LEAGUE

Division C

Projected Finish

California

Lake Wobegon

Urpaigh

Louisville

This is the best division in the AL. Still, it looks like a one team race. After a busy offseason the Dreamers are locked and loaded and I'd say the favorite to come out of the AL. Massive seasons by Ohtani and Soto and a very deep rotation will lead to north of 100 wins. The pen is solid, not great, but won't be necessary during the regular season. It's possible all three wild card teams could come out of this division. All three are flawed but solid. LW is good, but I don't like all of the LH SPing. Good offensive squad though with Betts, Yelich and Lindor at the top. Hitting vs RHP will be the Achilles heal for UR.....that's a big short coming. But solid SPing the pen is good. Secret weapon= Guether! Louisville can play some D! Three 1's in the infield and three 1's in CF. Yikes. Just hit it to Altuve. A pretty good rotation and pen as well. Who are Walker and Gaddis?! This should be a fun division to watch.
