## NATIONAL LEAGUE

### *Division A*

#### **Projected Finish**

Connecticut
National
Hazardville
Klee's

I'm going to say this is the best division in the league. I think CT, NB and HZ will all make the playoffs. Sorry Roland.....if you were in Glen's division you'd be a second place wild card contender. In this division I just don't see it. CT has a very good offense. Witt had a monster season. Their SPing is just ok, but the pen is top notch with Iglesias and Hoffman. The Bohemians are like those Chiefs used to be....will hit lots of HRs....with a wrinkle....they can actually pitch. Yates = Yikes! SS is a problem though. Ahmed is a good D replacement, but will be tough to win with Bogaerts and Moore manning the bulk of the duties. I'm sure a trade will come. The Kegs are also solid. Duran and Greene's breakouts and Skukbal at the top of the rotation makes them tough. It should be a dog fight to win the division. I like CT, but who knows. And the Klubbers are not bad. Could they surprise again like last year? I'm betting against that.
