NATIONAL LEAGUE

Division B

Projected Finish

Norwich
Allyn Street
US
Wall Street

I believe this is Norwich's division to lose. Solid team....good D, balanced lineup, deep Sping and fantastic back end of the pen with Adam and Miller. The 89ers and Jarheads are not bad, and Rob and Bill are great managers so they will not go away easily. AS's lineup is shallow and the pitching is mediocre at best. The Jarheads' offense took a beating with the Trout and Acuna injuries and Goldschmidt aging out. They have a few pitchers with Ragans, Francis and Yamanoto, but I don't think that will be enough to keep up with Norwich. Wall Street is not bad either and Kenny is a good manager so will do well subbing for Joe. Adding Horwitz to the lineup is a nice boost and Nola, Eavaldi and Grasnaw are not chopped liver. The pen is pretty shallow though. I think maybe one wild card team could come from this division, but I wouldn't count on it.
