NATIONAL LEAGUE

Division C

Projected Finish

Zanti
Burlington
Illinois
Southboro

Only sure thing here is that Southboro sucks per Rich's plan and will probably have the top pick in next year's draft. Illinois is pretty good, but a bit weak vs RHP and the written instructions thing makes it tough for them to compete as they normally struggle on the road. Good SPing should keep them in the mix though. Burlington is similar....not great vs RHP, solid rotation, OF not great and a fantastic closer in Estevez but a dicey pen after that. That leaves Zante who I make a favorite to win the division. The resurrection of Sale and nice pickups in Bride and Profar make a difference. If they struggle it will likely be the pen letting them down. Outside of Southboro this should be a competitive division.
