I wonder if Glen gets tired of winning 100+ games every year? I know I would, which is why I will lose 100+ this upcoming season. Makes you appreciate the good years. Anyhow, Glen is once again the team to beat in the AL. I'm sure he will tweak as the season progresses, but the Blue Fish already have a well balanced team with excellent offense, defense, SPing and Pen. They will roll to the division championship with no competition.

After BC, LW, YT and UR will battle it out for a wild card spot. Pretty evenly matched teams, but I do like LW's offense. Won't hold up in the playoffs but good for a 162 games. Blue Grass is just a step below and then as is tradition, the pig...now fish men will suck profoundly after winning #5.
