COMMENTS

FLORIDA EXPRESS: I have played my first four series block (home games) and my record stands at 6-2. My home stadium HR rating is suiting my team very well. I have hit 17, home game HR's in 8, games.

East Meadow: I've just received road results from series 1 & 2. Good news the Mustang's took 3 of 4.

Munson's Marauders: Thanks again for letting me into the FBN. I hope to do the league proud. The team name is a tribute to the late, great Thurman Munson.

Salem: I'm looking forward when the whole division meets on May 16th. See you than.

The National League East did meet on May 16, and I will make a report on the outcome in the next F-B-NBA REPORT. When mailing out away instructions you MUST include your current team ROSTER! This is the biggest complaint to date. With some teams it's difficult to man a team. Please correct your future instructions. I'm enclosing a new stat report form for all managers. Please report on time.

See you June 1st.
