THE FLY-RY-NIGHT INSIDER

AMERICAN LEAGUE

California: We're off to a particularly bad start, but I think we'll rebound and be competitive. The Quake should start coming around pretty soon, Whenever some of the big guys start hitting!!!!!! Hrbek .162 Pagliarulo .207, Trammell .146.

Munson's: Team - 134 K's in 145 innings only 42 BB's. Great ratio.

Richmond: Twice in series 6 vs. Galactic each member of Galactic scored in same innings. In 20 inning loss vs. J & B (away) series 2 Despite 3 HR's by Kingman.

NATIONAL LEAGUE

BRUNO'S: Big surprise in '87 is Bill Buckner batting .322 with 25, RBI's, and 20, runs scored in 40, games. Dwight Gooden has been having arm problems. His ERA was 8.81 after 3, starts. He's got it down to 4.11, after 12, starts.

From the National League President:

New address for Phil Weiss is 34 Filmore Ave. Livingston, N.J. 07039.

Brian Favereaux has taken over the old Noble Knights (as everyone is aware of) he just received his schedule form the commissioner's office last week so he is catching up. I talked with his Dad today and they have most of the games played so just hold on for a little while longer.

In the next Report I will bring everyone up to date on the number of penalty point's they have for not reporting on time to me for the F-B-NBA-REPORT. Here is the schedule copied from the commissioner's team fact sheet.

Series 1-2 (5/4), 1-4 (5/18), 1-6 (6/1), 1-9 (6/22), 1-11 (7/20), 1-13 (8/03), 1-16 (8/17), 1-18 (8/31), 1-19 (9/14), 1-21 (9/28), 1-23 final (10/12).

One penalty point for being late. Three penalty points for missing a due date completely !

To quote a fellow manager " Come on let's get our act together."

Robert Bruno
National League President
