3 THE FLY-BY-NIGHT: INSIDE NEWS:

BRUNO'S BITS: Bruno has 5, batters over .300; Buckner .301, Knight .301, (Bill Buckner set new RBI record for a Red Skin when he doubled and delivered Sal Butera in the second inning vs. J & B) Griffey .303, Madlock .324, and Backman .339.

Wally Backman hit safely in six straight AB's and 10 of 11! Longest hitting streak for Red Skins in '87, was 13 by Ruckner. That was just broken by Bill Madlock at 17, during the shoot out. Paul Assinmacher has been a big surprise coming out of the bullpen. In his last 15 outings he is:

G.	IP	H	BB	K	R	ER	HR
15	26.2	18	7	22	1	1	1

AT SHOOT OUT 4 5.2 2 0 4 0 0 0
Assenmacher's record. 2-0 7 sv.'s 1.19 ERA.

Bruno is planning for '88, after dropping 9 of 10 (ouch) to Lime Sox at Bruno's!!!!

The Red Skins need a catcher. Bill Buckner will be back at 1st. Vance Law will start at 2nd. (That means Wally Backman may be traded) Guillen at ss. Knight at 3rd. Griffey in left. Gladden in cf. Kingery in rf. Madlock dh. The pitchers will be: Gooden, Boyd, Deshaies, Ron Robinson, and Gene Nelson.

If you have an interest in any of bench or starts feel free to make an offer. NO ONE IS UNTOUCHABLE! I'm looking for one star that plays every day. Dwight Gooden is available for that one star. Are you interested?

J & B JOTS: Indians offense is dwindling. Indians have been held to 3 or less runs in 15 of the last 30 games. Connecticut scalped Indians defeating Indians 7 of 10 games played face to face finishing off Indians chances of first place. The series was highlighted by tough pitching by both staffs. Indians tossed 2 shutouts, 2 one run games, and 1 two run game to gain only 3 wins. Connecticut countered with 3 shutouts, 2 one run games, and 2 two run games. Good luck to Dave Gineo's team thru the playoffs!

Came up with a strange stat while looking thru cy pitching records. When Indians pitchers have thrown 5 hitters or less record is 2-10! With 7 hitters or greater our record is 51-58. All you gotta do to beat us is to put in a lineup that will only get you 6 Hits!

Bruce Fogg's Lime Sox doesn't like my ballpark HR rating of 1-2 for RHB. Like I told Bruce, its a 50-50 chance of getting a HR. You either get one or you don't. (J&B got some lucky split rolls playing face to face against the Lime Sox. We were accused of using a corked die!!

Jim Jalukewicz

Salem "Trader Rich": Another trade: B. Hatcher to Munsons for L. Moseby. (I want my BLUE JAYS!!!) Highlights: Rich Gedman stole 3 bases in 5 games vs. Connecticut after failing to get a lead for the entire series!

Rich " MAKE ME AN OFFER " Name:

Devil Doodles: The Blue Devils are peaking at the right time as the playoffs approach. In their last 28 games, CT has gone 21-7; (24 of those games wer face to face and CT was 18-6!!! in those F-T-F games-pretty damn good-I think!!

This excellent winning streak is directly atnlat)ble to outstanding pitching!! and timely hitting. CT pitchers held the opposition to 3 runs or less 20 out of the last 28 games - WOW. (includes 5 shutouts)

"El Sid" Fernandez wishes he could face J&B all the time. In his 4 starts vs J&B this year, Sid went 38 innings allowing only 15 hits and 2 ER for a tiny 0.47 ERA !!! He was only 2-0, however. Mitch Webster continues to produce for CT. Despite only 14 hits in his last 20 games, Webster scored 11 runs and knocked in 11 runs including 1 double 2 triples and 3 HR's.

CT has 7 players w/10 or more homeruns but only 1 player w/over 20 HR'S. (Tom Brunansky-21)

Dave Gineo

-----  
Mustang Roundup: Mustangs are crusing toward the Playoffs. After my last series vs Galactic I will play all my EI games (six). A slight misjudgement on my pitchers. Knepper, Viola & Liebrandt are limited to about 6 innings per start while Show & Sanderson who I limited during the season have plenty of IP left. Waiting for road results from Lake Wobegon, Duke, & TEEM. I'll put in another plug for Dave Parker for MVP. 43 HR'S, 130 RBI'S, he's my only everyday player. Dave has played every game for me and batted cleanup every game. CY YOUNG - Frank Viola 22-6, 31 GS, ERA 3,50 only 20 HRA.

Richmond I'm now working at nights until 11:30 PM so the best way is to get in touch with me is in the morning before noon or on the weekends. My present job is with Time-Life customer service which recently relocated to Richmond from Chicago.

Anyone interested in any of my players either call me on the weekends or give me a written proposal of available players, players desired, ect.

Marvellous Marvel Wynne continues to be on a power wurge. Since series 17 Marvel has 10 doubles and 6 HR while hitting .344 (22/64) I think this must be his option year.

Still have no results from 14,15,17 & 18. Series 14 I know instuuctions were late getting there since I had to send them out 3 times. I sent all those instructions out together. Did anyone else also not receive theirs? Call me and I'll get another copy right out to you.
