RULE QUESTION: Jeff Merklin asked me a very interesting question, what if an offensive manager tries for a good lead & is unsuccessful, can he or she then attempt a bunt or hit and run (or any other strategy)? The answer is YES. Just continue down the list of choices.

If you have any questions like this please send them to me.

BALLPARK CORRECTION: Florida Single (L & R) 1-12. Homerun (L & R) 1-4. Sorry.

Correction from SOM: Remove the asterisk from D. Berryhill's stealing rating.

USJarheads AAA minor league team: Parris Island Maggots.

Mystic AAA Minor League Team: Cow Pastures.

TRADE RUMORS:

Notes from the crab grass patch: Mystic Holsteins look to a real dog fight in the NL East this year. "I believe we have a good balance over overaged pros and unproven youngsters" says manager Hap Azard. "But I sure would be interested in a good every day shortstop."

General Manager Graboski is willing to trade players or draft choices to fill the gap if need be.

Pawcatuck: Pequots are looking to beef up bench. Looking for about 100-150 AB's at each of these positions: defensive catcher, first baseman that can hit LHP and a second baseman that can hit LHP. Also looking for pitching. If anybody on the Pequot roster is of interest to you, give me a call.

Washington: **PACK UP YOUR TRUCK SALE.** Washington GM Larry Hill has decided to have a **EVERYONE IS AVAILABLE** sale. That means Alan Trammell and everyone!!!!!! "I'm going nowhere in '89, so I plan to trade the older vets for prospects and draft choices. Make the best offer."

Have you marked on your calendar the reporting dates and what is needed in each report? Please take the time now and do that so you will avoid future Minus Bonus Points. There have been Constitutional corrections in past newsletters and there is one in todays. Make these corrections in your Constitution today.

Let's get on track so we can have fun and not worry about -BP's, and as my son tells me "and be happy."

Thank you,
Rob

PS. I will be using the presidents more in 1989, to take some of the work load off my shoulders. When you must mail anything to a president I will inform you in plenty of time.
