Mystic in seven.....Jack Clark hits a 3 run homer and B. Saberhagan holds USJ to 6 hits as the Holsteins defeat the Jarheads in game seven of Round one of the NLCS. Roger Clemens bested Sutcliff 2-0 and 2-1 surrendering only 6 hits during the Series. Jeff Hamilton was 11 for 22 with 4 doubles and 1 triple while Jack Clark had 3 homers during the Series.

Saberhagans 7th game heroics matched his 2-1 performance one week earlier in the NL East Season final Playoff game. Mystic pitching had to rise above shakey defence which made 8 errors in the first four games allowing 10 unearned runs to score.

NATIONAL LEAGUE NEWSLETTER NOTES:

NINER NOTES - Manager Bill Holowatty was grateful to see 1990 come to a close. The 89ers end the season 42 games under .500!! "If you're from New England you're used to the expression 'Wait for next year', Well that's how I feel - Wait till next Year!! The 89ers WILL be in the thick of things in the NL East. Fred McGriff led the team in HR's with 31. Ricky Jordan led the team with a .298 average. (He was over .300 until the last day of season when he choked and went 0-5 to drop below .300)

CHIEFS CHAT - IT'S OFFICIAL -- HOUK RETIRES!!

Joe Morgan (white version) has been signed as the new manager. But ownership is considering hiring the other Joe Morgan to be the co-manager. Anything to get some press !!!

Chiefs have signed Dan Quisenberry as pitching coach (a newly created position) and Dave Kingman as the hitting instructor.

Chiefs improved 23 games from 1989 while hitting 263 homeruns and striking out an unbelievable 1,197 times !!!!!!! Team E.R.A. - 5.63 !!!

PEQUOT POINTS - Jerald Clark had 13 RBI's in 29 AB - all pinch hit appearances. Wade Boggs finished with 198 hits, 2 short of his goal.

KLUBBER KLIPS - At a lavish banquet held at the sprawling Klee estate, GM and Owner-for-Life Klee handed out some well deserved awards for the past year:

MVP-	Ryne Sandberg	Comeback Player-	Spike Owen
	Cy Young - Frank Viola	Unexpected Surprise-	Eric Show
Lifetime Achievement-	Steve Lyons	Executive of the Year-	Klee

With nothing happening on the Boucher front, the local press was forced to devote space to the Persian Gulf, the federal budget, and other trifling matters. Declining readership threatened the extinction of one afternoon tabloid when advertising lineage dropped precipitously. However, the New York Post was able to survive by winning some concessions from the Paperboys Union by forcing them to turn all their tips over to the newspaper.

Outfields we'd like to see:

- Larry Walker, Darryl Boston, Darryl Strawberry
- Junior Felix, Jose Canseco

DEVIL DOODLES - Connecticut wrapped up season play winning 4 out of 6 vs. the division winning Windsor Hawks. Although the games were basically meaningless, both teams played hard (plenty of cursing going on!) as they tuned up for a rematch in the playoffs. The Blue Devil offense scored an average of 6 runs a game in the series but gave up over 5 runs/game. Mark Gubicza won both of his starts to finish with his 2nd consecutive 20 win season at 20-11 !!

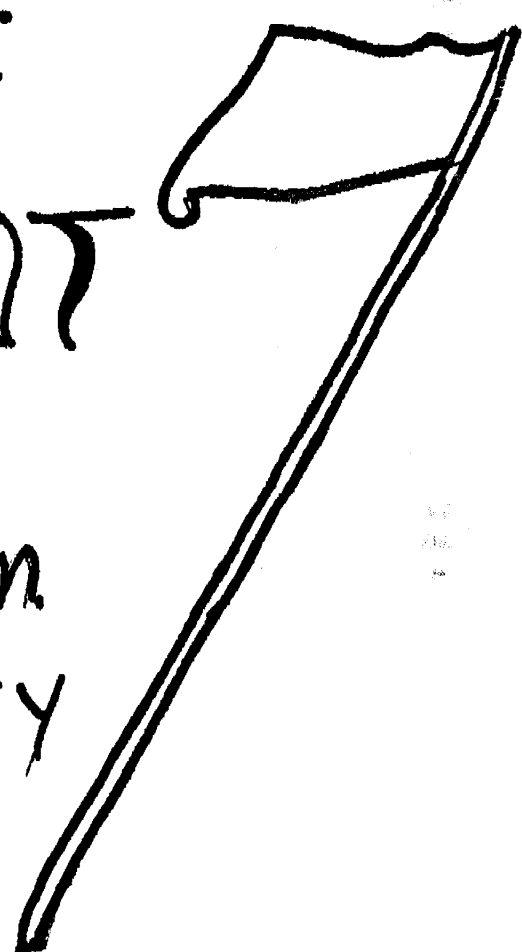

Team M.V.P. honors went to Tony Gwynn in a close vote over Will Clark. Gwynn was steady throughout the year leading the league in batting at .368. He had 246 hits and scored 122 runs while knocking in 72 runs mostly in the leadoff spot. He also stole 69 bases being caught only 12 times. (85%) Clark had a great start to the year but slumped in the last 50 games. He still finished with excellent numbers: .309 98 runs 113 RBI's 26 HR's

Other top performers included Barry Bonds (35 doubles 18 HR's 103 RBI's) Dave Magadan (.303), Carlos Martinez (.315 33 doubles) and Luis Quinones who hit 19 HR's in 228 AB while knocking in 55 runs with 53 hits! Rob Dibble had 41 saves but an incredible 12 losses!! Rookie Jaime Navarro went 11-2 while Orel Hershisser was a very average 15-13 with a 3.50 E.R.A. giving up 286 hits and 31 HR's in 280 innings. Now on to the playoffs for the 4th straight year!!

USJ SUTTLEBUTT: Commissioner Hanged and Burned in Effigy at Kate Elizabeth Park

The US Jarheads finished the season with a bang taking 3 road games at Mystic and beating Pawcatuck 2 of 3 at home to tie Mystic for first place at 91-71

A one game playoff was called for and USJ won the coin toss to host the game. Commissioner Bruno pronounced that all stats will count toward regular season totals and full rosters were eligible. Things were looking good as Candiotti was set to go against Mystic's Saberhagen. Then things got weird!

Bruno, after consulting NL Pres. Gineo announced that relief pitchers would be limited to 1 IP apiece for this game. Batters with less than 180 AB could only hit twice and cards with less than 100 AB could only bat once.

USJ management stated that if this was to count on regular season stats that players with remaining at bats should be eligible for all of their remaining AB'S. The Commish and NL Pres. said no and that was that! I said I want to protest this action! Bruno said you can't protest it because he and NL Pres. had decided it! Then Mystic Holstien G.M. Grabowski told the Commish that limiting relief pitcher to one inning was unfair, and with injuries to starting pitchers might make it impossible to complete the game. The Commish and NL Pres. discussed his concern and made adjustments so that relievers could go up to 2 2/3 IP; except USJ reliever Rich Monteleone who would be limited to 1 2/3 inn. because he pitched under 40 real innings. It didn't matter that he still had 4 regular season innings left and could have gone 2 2/3 like everyone else.

I said if you can address his concerns about relief pitching, what about my hitters, particularly Rick Wrona who could have batted 4 times in this game before reaching his AB limit. Wrona with 92 AB's was used sparingly during the year, hitting against only certain RHP including Mystic's Saberhagen.

In fact Wrona was USJ's best hitter against Saberhagen. He owns him! Please check out below his destruction of Mystic Pitching and Saberhagen in particular.

Because of the Commissioners ruling, Wrona batted only once in the Pennant deciding game. He tripled in the 2nd inning and then had to be removed. USJ lost the game 2 to 1. Would USJ have won the game if Wrona batted 3 more times? His replacement rolled a 2-6 in his first AB for an out which would have been a single for Wrona! Would that be enough? Again who knows? Was any of this fair? Was any of this logical?

USJ management has to put this sad episode behind us and prepare for the playoffs. But the fans.....? After producing a Bruno effigy and torching it, they hung it over the railing of the W. Harry Pavillion to the enjoyment of the standing room only crowd. Fan comments are not printable, but one season ticket holder opined that, "If I didn't know better, I'd say the Commissioner had consulted Klown for Life Klee before coming up with his rulings; this thing has 'hidden hand' written all over it."
