*Comp* Transactions:  
 1. Salem rec'ed T.Walker, R.McGuire, J.Mesa and J.Nelson from Louisville for D.Graves, M.Jackson and G.White.

# American League News.....

**CALIFORNIA** - Finally, if Rafael Palmiero can get 2 HR's at Hotlanta, the Dreamers would have four 50 HR players in one season.

Dreamers set for playoffs, hoping not to catch a Silver Bullet. David Wells primed for 3 duels against Bullet ace Curt (no shoulder) Schilling.

Trade note: Dreamers trade 2 #2 draft picks to Klee's for 2b Jay Bell. This addresses a need for more RH power next season, when we move the fences in further. This also makes overpaid 2b Delino Deshields available. (Pretty decent Vs RH pitching).

Dream on.....

**HOTLANTA** - We are back to playing AL West and back to reality. The Possums are 1-9 in the last block so far. Eric Karros has officially passed Kirby Puckett to become the all time Pos-

sum HR leader with 205 HR's. Hotlanta is on track to post their third highest offensive team run total in 13 years of league play. Despite this we are probably going to lose 90+ games. It just shows how important pitching is.

**Baton Rouge Notes** - After the strong run to finish the last two trips through the ALW and the ALE capped by winning the required 2 games over Plymouth the 1999 Bullet season came to a close. Staring at California in the playoffs, we are expecting a quick but painful end to the post season and then on the trading wars and next season.

Baton Rouge named the team MVP in newcomer Rondell White. Despite having less than 400 at bats he lead the team in RBI with 95 and in hitting (page 2, Baton Rouge)

**Congratulations to the playoff bound teams.**

- Farmington Valley
- Taxachusetts
- Wall Street
- Salem
- Baton Rouge
- California
- Yorktown

**Still in question: Jersey City or Klee's in the NL West**

**Where there were 24 teams playing for the League Championship we will e down to the elite 8!**

2. Wall Street rec'ed PR#2 & CD#2 from Taxachusetts for BJ Surhoff.

**ROOKIE OF THE YEAR CANDIDATE:**

Rolando Arroyo Silver City, 221IP, 18-11, 3.62ERA.

# National League Newsletter Notes:

G-Files - Team MVP is a tough battle between Castilla (.301, 57 HR, 116 runs, 133 RBI) and Davis (.350, 41 HR, 90 runs, 109 RBI). Of late, the vote would have to go to Davis, as Castilla appears to have gone cold. Hopefully, he'll wake up in time for the series vs. the Klubbers

DEVIL DOODLES: - Blue Devil pitchers have allowed 220 HR's with 5 games left approaching the team record of 234 allowed in 1997. Brain Anderson has given up 42 dingers himself closing in on the dubious team record of Felipe Lira who allowed 46 HR's in 1997.

Connecticut needs to win at least 3 out of 5 in the upcoming series vs. Phoenix to finish at .500 and keep the streak alive of never finishing a season below .500 in team history (13 years).

KNIGHT KNOTES: - The Silver City Knights want to thank everyone for an enjoyable season. The Knights finished the season with a record of 73-89 which is an improvement from last year. Hopefully, next year it goes up again.

Player Hi-Lites - Rolando Arrojo (1999 #1 draft pick) 18-11 3.62 ERA.

Shannon Stewart 61 SB's, Derek Jeter 15 Triples, Todd Helton .321 BA, 41 doubles, 28 HR's 112 RBI, Paul Byrd 21 saves, Tom Goodwin 51 SB's.

Team MVP - Todd Helton

Team Cy Young - Rolando Arrojo

Team Rookie of the Year - Rolando Arrojo. 221 IP, 18-11, 3.62

I'm looking forward to next year and the draft. Hopefully, it will bring great things.

## JARHEAD SCUTTLEBUTT -

**Year 2000 Schedules:**  
I'm working on the team schedules for next year. If you plan on changing your team name please let me know ASAP. You can email me the change.

**Barry, Please send me your team name so I can include it in the schedules.**

Jeromy Burnitz finished with 45 HR's, 3 shy of John Jaha's club record 48.

Jarheads were out-homered by on this season 190-189.

Burnitz also led the team with 99 RBI... but had a woeful .234 Avg.

Jarheads struckout 1215 times.... 274 more K's than the opposition.

Jarheads made 93 errors and allowed 90 unearned runs.

Stolen Base numbers bordered on ridiculous in '99. 47 steals 39 Caught stealing for a 55% success rate.

**BATON ROUGE:** - with a .342 average. Curt Schilling has to be the team Cy Young with his 23-10 record and 328 strikeouts. However, Joey Hamilton had the most remarkable season of all.

After leading the league in ERA at one point in the season he ended with a 4.04 ERA and a record of 11-5. As good as this is, even more remarkable is the fact that in games that he started the Bullets were 24-7, far better than even Schilling who was 27-15 in his starts.

Best of luck to everyone in the playoffs.
