Vol. 41, Issue 14

Commissioner Rob Bruno. Presidents - American League Jeff Merklin - National League Bob Figella

Commissioner's Corner:

I had to purchase a new computer. I lost most of my files when Windows 10 took over my old computer. Bob Figella told me that I needed to save my files in the "Document" section of the computer. Lesson learned.

July is Dues Month. The League Fee is \$20.00. It is due by July 31st.

PS – The "news report" of an "earthquake" in Mystic on Monday June 13th was a false alarm. It was just Roland paying his League Fee! ☺

PENANT RACES:

In the American League Hotlanta remained in first place but with a 5-7 record this report they no longer have a big lead over the second place team. Arsenal gunned down their completion going 15-5 and moved from 4th place 8 games back of Hotlanta to just 2 games back. California was in third place at last report 8 games back of Holtanta. With a 15-11 they picked up 3 games and are now only 5 games back. Nashville could not keep up the hot pace from last report. They went 5-7 and fell from 2 place down to 4th place but still remained 7 games back of Hollanta. Milford with a 7-5 record stayed in 5th place but they picked up 2 games on Hotlanta.

In the National League Norwich continued winning going 8-0 and now have an 11 game lead over second place Allyn Street who went 4-4. US Jarheads went 10-10 and held onto 3rd. Illinois hit a rough spell going 1-8, but held onto 4th place. Wall Street 3-5 fell out of the playoff race. Klee's had the biggest improvement. They went 12-5 and moved from 11th place to 5th.

Basement Bertha Award:

Hart Street has Bertha's attention at this time with a 20-55 record but Urpaign is still sending her flowers at 24-47. Will she have other suitors as teams make trades? Will Wall Street give Maine a run at Bertha's heart?
