

The Fly-By-Night BA

March 1, 2020

1974 - 2020

Vol. 47, Issue 5

Commissioner Rob Bruno. Presidents - American League Ed Griffin - National League Bob Figella

Commissioners note: From earlier emails.

Draft Day 2020 – By the time I arrived at Draft Central, Glen, Frank and Don were already there and they already had some work done for the day. The room wasn't set up for us. They had to help the hotel staff get more tables and chairs so the room would be set up for the draft.

We had 12 members and two GM's at the draft. Besides the first three mentioned, we had Joe, Bill and Harry, Ed and Joanna, Bud, Roland, Bob F., Dave, Bob M. and me.

I handed out the League Awards. The first one went to Glen for his Milford team winning the regular season AL pennant. Next I received my plaque for Allyn Street winning the NL regular season pennant. The third plaque went to Ed for winning the American League Championship Series. The final award was presented to Bill and Harry for the US Jarheads winning the World Series.

Roland than handed out his awards. I didn't write them down. I'll add them to the next newsletter.

Dante made the first two picks of the draft at 11am. Vladimir Guerrero Jr. went number one and Fernando Tatis Jr. went number two. The last pick, about 4 ½ hours later was made by Ed. Max Stassi had the "honor" of being select last at 223. Actually, Ed had the last picks of the draft. Anyone of those selections I'm sure could have "won" the "honor" of being selected last. But, only Ed really knows.

I want to thank everyone on for a nice draft. Everyone was prepared and used the player's numbers listed on Bob Figella's available list. That made finding the player so much easier and saved time. We think that this draft was completed in record time for a 10 round draft.

After 223 players selected in the draft we had another 18 players selected off the Waiver Wire. The top two players that were wanted were Lou Trivino and AJ Minter. Trivino went to Wall Street and Minter went to Alpharetta. Complete list of Waiver Wire results is below

ROUND 1
