DRAFT DAY 2021 – February 21st The draft will be online 2021. Glen plans on conducting two more trail runs. One in January and one just before the draft in February. Please download Zoom so you will be able to be online for the draft.

For 2021 Emergency Draft Instructions will be allowed to be sent by email. In case we have more the one person not attending the draft I'll need help with handling the EDI. I'll share the emailed emergency instructions with Ed, Bob and if more than three people cannot be on line I'll share them with additional members.

This next step will be important. To help things run smoothly when a member makes his selection in the 2021 draft he will first you read off the number from Bob Figella's "Available List". Second, he will name the player that he's drafting. Third, if the player has a number from Lamanna's draft list, he will read off that number from LBB. This will allow me and anyone else helping me with emergency instructions to be able to cross off the player from both lists and hopefully keep the draft moving along smoothly.

I'll have two phone numbers that you can call if there is a problem during the draft. My regular home number **860-536-2074**. The second number is another land line, **860-415-9236**.
