SUMMARY

Congratulations to the Don Decker and his Norwich Navigators on an outstanding season. Hal was not your friend this series. I kept getting rolls when I needed them while you were just missing them. I really did feel sorry for the way the computer was treating you. Unfortunately for you my good starters were just a bit better than your great starters this series. It could easily have gone the other way. For the series

Hazardville .267 BA, 28 runs, 6 HR. 2.29 ERA, 44 hits allowed
Norwich .218 BA, 15 runs, 5 HR, 4.67 ERA, 55 hits allowed

Series MVP was Tarik Skubal who shut down the Norwich offense allowing only 1 run and 7 hits over 17.1 innings while not walking anyone and striking out 17.
