How to Read and Fill out Team Schedule

Series lengths are shown with location. Block start and end dates are shown. **You must schedule your series 7 days before the block start to 2 days after the block start.** You must play your games by the block end. See constitution for penalties.

All -BP's shall be reported to the Commissioner after each block.

If scheduling or results are 5 days late you must notify the commissioner or risk having -BP's also assessed to your team.

Roster Updates: Active roster and pitching rotation must be reported to commissioner before the first two blocks, this is mandatory. It is recommended that rosters and rotations be sent before all blocks in case emergency RI must be used.

Send Won/Lost record and Bi-Weekly league report to your **League President** by these dates.
