Complete won lost record (home, away and overall) before sending to Commissioner

How to Read and Fill out Team Schedule

All series 4 games unless noted (interleague games).

Inst. Due and Stats due are the dates that the items are due (either email date or postmark date). If items are late 1/2 -BP for each day late past the due date. Keep evidence of lateness.

All -BP's shall be reported to the Commissioner after each block.

If road instructions are 5 days late you must notify the commissioner or risk having -BP's also assessed to your team.

Roster Updates: Active roster and pitching rotation must be reported to commissioner before the first two blocks, this is mandatory. It is recommended that rosters and rotations be sent before all blocks in case emergency instructions must be used. If emergency instructions must be used and the roster/rotation has not been sent to the commissioner then 2 -BP's will be charged.
